GENERAL INFORMATION

Judges are provided by members of the University of Michigan Dance Team.

Teams are encouraged to bring their best performance material in whatever style of pom routine they prefer. Judges will not discriminate.

SQUAD UNIFORMS

Any type of uniform or dance costume is allowed. Hats are not allowed. If parts of the costume are removed during the performance, they should not be used for visual effect or this could be considered a non-allowable prop.

PROPS

No props are allowed other than poms, gloves, or any combination of these two items. Other props such as hats, flags, canes, lights, signs, etc. will not be allowed. The attempted use of any non-allowable prop will result in a penalty deduction. Poms must be used for at least 50% of the performance time. An elastic device attached to the handle of the pom pon will be considered part of that prop and is allowable.

TIME LIMIT

Junior H.S. / Freshman Teams will perform first followed by Junior Varsity then Varsity. Order of competitors will be given at the coaches' meeting prior to competition.

Each routine must be a minimum of **one (1) minute** and a maximum of **two (2) minutes**. Timing will begin with the first note of music. Music may either be started upon entrance or after the team has entered the performance area. Timing will end when the music stops.

MUSIC

Music must be provided in cassette tape / cd form. Each squad should have a person designated to stop and start music and that person should report to designated music area while the team is on deck. You should also bring a back-up tape / cd of your performance music in case of accidents or breakage.

MOUNTS, STUNTS & TUMBLING

No mounting or partner stunts are allowed during your routine. This can be defined as "a maneuver, which requires a base(s) to support a person(s) whose feet are off the performing surface." No tumbling or gymnastics of any kind. Also, no dive rolls or body drops. Make sure that at least one foot touches the ground after a leap, jump, turn, or a toe touch before starting another skill. Toe touches to a hurdler position or landing with both feet back are prohibited. Toe touches to a push position are prohibited. Any type of hurdler position is prohibited with the exception of a (Z) sit, this includes sitting with knees back.

KICKS

You may include any type of kicks and any number of kicks in your routine, however these are NOT required.
